

## Sai Spiritual Education Parents' Commitment

As the parent(s) of \_\_\_\_\_, who will be attending the Sai Spiritual Education program, I extend my full support and cooperation in ensuring my child's maximum benefit from the program, and agree to carry out the following:

1. I will see that my child attends the class, group activities, or excursions regularly and on time.
2. I will take personal interest in what the child is taught in the class and cooperate with the teachers in assisting the child to fully understand the benefits of the class.
3. I will encourage my child to wear appropriate and modest clothing to class.
4. At home, I will ensure that my child carries out the practice of daily writing of the Holy Name, prayers and encourage silent sitting and devotional singing – all vital to the Sai Spiritual Education Program.
5. I will encourage my child to maintain a spiritual diary.
6. I will take note of my child's friends and do what is necessary to ensure that my child keeps good company.
7. I will attend the meetings and functions arranged by the teachers.
8. I will fully cooperate with the teachers whenever we tackle problems pertaining to my child.
9. I will volunteer to assist SSE teachers by providing any support needed for preparation or participation in special Center and Regional Sai events: and, in initiating and supporting extra-curricular activities to add fun to the SSE program.
